INDIVIDUAL SOCIAL WORK SESSIONS

- R450 – R1,000/hour
- Contracted to medical aids, depending on personal plan and prescribed minimum benefits.

INDIVIDUAL RECOVERY COACHING SESSIONS

- R550 – R1,500/hour
- NOT claimable on medical aid and need to be settled in cash.
- **We are contracted to ICAS for individual- and family coaching sessions**

There is a **R2,500 patient management fee** payable on ALL INPATIENT ADMISSIONS

- NO psychiatric, chronic or long-term medication is covered by the clinic. If these medications are NOT covered by medical aid, they will need to be settled by the client.
- Maintenance medication (e.g. methadone, suboxone, subutex) **IS NOT covered by medical aid and needs to be settled by the client.**
- Self-payment gaps may vary depending on the medical aid PMBs, but we are able to discuss payment plans and financial arrangements. The figures outlined are just a guideline, and may vary according to your medical aid.

- Since we are a registered tertiary facility medical aid can be used towards halfway house fees if you have not used your medical aid benefit.

Medically-Assisted Detox R1,725/day Medical Aid + R1,250 Patient Management Fee
3-Week Treatment Programme R39,750 Cash Medical Aid + SELF-PAYMENT*
6-Week Treatment Programme R68,950 Cash Medical Aid + SELF-PAYMENT*
<p>*The self-payment amount includes the R2,500.00 patient management fee.</p> <ul style="list-style-type: none"> ● Financial arrangements and payment plans must be discussed prior to admission ● All payment plans require that the individual responsible for the account sign an Acknowledgment of Debt and supply a copy of their ID document/card. ● There are individual rules associated with some of the medical aids regarding pre-admission, medical paperwork and authorisation/approval. ● Please contact your medical aid and inquire about your personal benefits. ● We are contracted to medical aids, but settlement of the invoice is ultimately the responsibility of the financially-responsible individual. ● Certain consultations are NOT included in the programme costs and will be drawn from the individual's IN-CLINIC medical benefits.
