

AGREEMENT FOR RECOVERY WELLNESS PROGRAMME

This agreement for the Recovery Wellness Programme is entered into on this day of by and between _____ (Coach), and _____ (Client) on _____ (Date).

The client requests the coach to provide coaching services as follows:

OBJECTIVE OF RECOVERY WELLNESS PROGRAMME

The objective of the Recovery Wellness Programme is to enable the client to identify personal, recovery and/or business goals, develop strategies and action plans intended to achieve such goals, and monitor progress towards implementation of the action plans through coaching methods.

THE NATURE OF COACHING

The client is aware that the coaching relationship is not psychological counselling or any kind of therapy. Coaching does not treat illness or pathology. The coaching relationship is designed and defined by each respective client and the coach, and the relationship is based on the expressed goals, interests and objectives of that client. The coach will use discussion and questions to assist each coachee to identify personal, recovery and/or business goals, develop strategies and action plans intended to achieve such goals, and monitor progress towards implementation of the action plans. The coach and client are also aware that coaching results cannot be guaranteed. The client and coach acknowledge and agree that they are entering into coaching in the full understanding that the client is responsible for their own decisions and results.

PRIMARY FOCUS OF GROUP COACHING SESSIONS

The client is free to discuss any area of recovery, life or business with the coach and group at large. The primary focus of the sessions will be contracted up-front by client and the coach. The client and the coach acknowledge that deciding how to handle these issues and implement these choices is exclusively the responsibility of the client and NOT that of the coach.

CONFIDENTIALITY

The client within the group and coach agree that all personal, recovery and business-related information disclosed during the coaching sessions will be treated as confidential, and will not be shared with any persons outside of the coaching relationship without the client's prior consent. The client and coach agree that all personal information disclosed during the coaching sessions will be treated as confidential, and will not be shared with any persons outside of the coaching relationship, for example family members and employers, without the client's prior consent.

LENGTH OF RECOVERY WELLNESS PROGRAMME

The agreed length of the Recovery Wellness Programme is for the three-week core coaching programme. After this the client has access to the programme for the remainder of 12 months. The programme will run from 16:00 – 18:00, Monday to Thursday, and from 15:00 – 17:00 on Friday. The Wellness Programme will as scheduled, unless arrangements have been made with the group for alternative times over public holidays.

LOCATION

The location of all coaching sessions will be at **The Foundation Clinic, 41 Pretoria Street, Oaklands.**

FEE CHARGED

The cost of the programme is **R13,950.00**. The full cost of the programme needs to be paid prior to starting the programme unless financial arrangements have been made to the contrary. In this case an acknowledgment of debt will be signed and failure to make the arranged payments will be handed over for debt collection. There are **NO REFUNDS** as the basis of the programme is the 21-day schedule and clients are welcome to rejoin at any time should they wish to complete the 12 months. The cost of the programme is for the three-week coaching programme. The cost of the programme is calculated for the three-week period of the core coaching programme - not the 12-month access. Outpatient programmes are NOT covered by medical aids and need to be settled privately.

CANCELLATION

You are encouraged to attend as many sessions as possible in the first 3 weeks of the programme. We understand that the nature of professional and personal commitments may prevent this. Any missed sessions can be made up in the future rotation of the programme, but due to the dynamic nature of Recovery Coaching no assurances can be made as to the content or theme of the makeup sessions.

EXIT AND REVIEW OF COACHING RELATIONSHIP

The client agrees to have a conversation with the coach regarding the decision of that client to exit the Recovery Wellness Programme and coaching relationship prior to completion of the contracted term, and to review the learning and changes that have taken place. The client remains responsible for the payment of the programme and no refunds will be issued, but is invited to attend additional sessions if they wish to make up the remainder of the course.

WAIVER

The client agrees to indemnify the coach from all liability for any actions or adverse situations created as a direct or indirect result of the coaching process, or of a referral or other advice given by the coach. The client acknowledges and agrees that in the course of the coaching services the coach may ask questions which may be personal, challenging or disturbing. The client and the client waive and release any claims arising or resulting from such questions, actions or services, except in respect of a breach by the coach of his/her obligations regarding confidentiality of the sessions as outlined under the heading 'Confidentiality'.
